“ It was a privilege to watch Jess grow up. She had a passion for the underdog and pushing back on injustice. Jess didn't judge or shame others. She just loved and wanted to be loved. What a cool kid, right. She is loved and missed so much.

“ There just aren't words fit to describe how great Jess was. I would not be the person I am today if it wasn't for her, she had a way about her that just stuck with you. She will always be a part of me that I will never forget and will love forever. I miss you girl, so much.

My whole heart goes out to the family and little Ali and Trent. I know there is a lot of hurt right now and I am so sorry for that, but don't forget the good, she had so much good in her.
